To register, please complete the attached Registration Form and return it either by email to Maloneylelia4@gmail.com or in person. This helps me prepare for your arrival and ensures your space in the class is held.

A Note as You Prepare to Register

This training invites you into a slower, more attuned way of working. One that listens closely to the body's timing and honors the adaptive patterns that have supported your clients. Together, we explore how relational steadiness, clear awareness, and responsive touch create the conditions for protective patterns to soften and new possibilities to emerge. If this aligns with your path as a practitioner, I would be honored to share this learning space with you.
